Alicia Adkins | Texas Singer/Songwriter

Fees for live music performances are based on several factors, including location, required instrumentation, the number of musicians involved, and potential exposure. As musicians, we **love to perform** and only seek compensation as a means to sustain and improve our art. Please utilize the following as a guideline, understanding that we are ready to negotiate on a case-by-case basis and appreciate your support of live music.

Standard Fee Structure:

Base Performance Fee: \$100
Additional Fee Per Musician Per Hour: \$50

Sets are generally 1 hour total with a 10-15 minute break included for the musicians.

For example:

2 hour solo performance: \$200
2 hour duo performance: \$300
3 hour duo performance: \$400
3 hour trio performance: \$550

Additional Costs:

Travel Assistance: Flight or .50 per mile outside of Austin, TX (78701)

For example:

Houston: \$150
Dallas/Ft Worth: \$200
San Antonio: \$100
Fredericksburg: \$75

Meals and Beverages: 2 beverages per musician and 1 meal if possible.

Lodging: One/Two nights accommodation appreciated for venues out of Austin, Texas.

Other details:

Weddings/Special Events: A per-hour cost is usually added for rehearsals or planning/consultation sessions, and the length of actual performance and setup/breakdown times should be included in the budget for these services.

Discounts: Please note that we have more availability for negotiation for daytime performances and nights other than Saturday, which is the busiest day of the week for performing musicians. Also, please feel free to call to discuss potential opportunities for exposure/goodwill/payment in trade.

Thank you for supporting live music! We look forward to performing at your venue!
